APPROVAL
OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the point of diversion and place of use of a portion of the waters of Lake Tahoe heretofore granted under Permit 55053 is issued subject to the terms and conditions imposed in said Permit 55053 and with the understanding that no other rights at the source shall be affected by the change proposed herein. A totalizing meter must be installed in the discharge pipeline near the point of diversion and accurate measurements must be kept of water placed to a beneficial use. This permit is subject to the final allocation of the State of Nevada under the California-Nevada-Interstate Compact Commission. The State retains the right to regulate the use of the water herein granted at any and all times.

This permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The total combined duty of water under Permits 55484 and 61395 shall not exceed 14.0 acre-feet annually

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.024 cubic feet per second, but not to exceed 10.0 acre-feet annually.

Work must be prosecuted with reasonable diligence and be completed on or before April 25, 1997

Proof of completion of work shall be filed before May 25, 1997

Application of water to beneficial use shall be made on or before April 25, 2000

Proof of the application of water to beneficial use shall be filed on or before May 25, 2000

Map in support of proof of beneficial use shall be filed on or before N/A

Completion of work filed JUL 05 1996

Proof of beneficial use filed MAY 24 2001
